

Save the Date! Minnesota's **only** LGBTQ health conference will take place February 27-28, 2017

## A Conference for Policy Makers and Practitioners

### SAVE THE DATE!

February 27-28, 2017

University of Minnesota  
Continuing Education Conference Center  
St. Paul, MN

With few LGBTQ-focused national health conferences of this scope, the Opportunity Conference will provide a rare chance for health providers, practitioners, researchers and policy makers to gather, share information and discuss the disparities experienced by LGBTQ communities. The schedule will feature up to 3 insightful keynote speakers and more than 25 strategic sessions focusing on the transgender community, LGBTQ seniors and bisexual health. The two-day conference will include tracks on research data, clinical health, behavioral/mental health and policy making.

Rainbow Health Initiative, a nonprofit committed to improving the health of LGBTQ people, is organizing this conference. More information about the Opportunity Conference is available at:

[opportunityconference.org](http://opportunityconference.org)

Do you know someone who should attend the Opportunity Conference? Forward this message to a colleague and encourage them to subscribe for email updates.
